The S.E., K.S.C., ^{p-11 C.S.} reports that there will be one surplus Dy. Engr. in his circle; if it is decided to appoint Shri S.L. Lale, ^{Chief} Overseer, as Dy. Engr., Koyana soil survey sub. Dn.

2. The S.E., K.S.C. has since appointed Shri A.V. Shankar Rao, a temp. Dy. Engr. selected by the B.P.S.C., to the post of Dy. Engr. in charge of the Koyana soil survey sub. Dn. and has reported that Shri Shankar Rao, with the help of Shri Lale, is quite suitable to hold the post as a regular arrangement. It was, however, considered that the Dy. Engr. in charge of the soil survey sub. Dn. should be an officer who is well qualified himself for the job and should be able to guide his overseers instead of being guided by them. It was, therefore, decided to advertise the post through

the B.P.C. ^{which} ~~and~~ the question is
separately under consideration in file ^{x Sec. 2}
No. 521/48/2634. It will thus be
seen that it is not the intention
to appoint Shri Lal as Dy. Dy.
Engr.

To,

The Secretary,
to the Government of Bombay,

Subject:-Appointment of Soil Physicist, in
General State Service.

Reference:-G.R.P.W.D. No.772/48 dated 24th
May 1951 and G.L.P.W.D. No.772/48-E
dated 26th October 1951 and my
application No.683 dated 2nd June
1951.

Sir,

With reference to Government Letter No. referred
to above, I am continuing in the post of Soil Physicist
as the appointment of Shri.V.S.Abhyankar, B.Ag.(Bom),M.Sc.
(Agri) (Bom), as Soil Physicist, was postponed.

Now, that Shri.V.S.Abhyankar has agreed to
accept the post in the General State Service, he may join
duties at Dharwar during the first week of January 1952.
In that case I will have to revert as an Agricultural
Overseer in this Circle, on relief by Shri.Abhyankar.

Another, similar post (Class II), in the Koyna
Soil Survey Sub-Division, Athani, is being held
temporarily by a Deputy Engineer as no suitable Officer
was available at the time of appointment.

Now, that I am likely to be reverted from the
present post, my case for appointment as Sub-Divisional
Officer, Soil Survey Sub-Division, Athani, may be
considered.

Yours faithfully,

No. G-38

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 12/ Jan. 1952.

Forwarded with compliments to the Chief Engineer,
Public Works Department, Bombay.

2. Since Shri.V.S.Abhyankar has expressed his willingness to accept the post of the Soil Physicist as per his letter dated 14-12-1951, addressed to Government and copy endorsed to this office, it is proposed to retain Shri.S.L.Lele, after reversion as Overseer in the Soil Research Sub-Division at Dharwar only upto March 1952 end. Shri.V.S.Abhyankar, being new to the work, will need the help of Shri.S.L.Lele till he- Shri.Abhyankar- is well acquainted with the field work and research work in hand. The annual report of the work done during the last year and that of the work done so far have yet to be written up by Shri.Lele and it is essential to keep him in the sub-Division for some time. Shri.S.L.Lele will thereafter be transferred to the Koyna Soil Survey Sub-Division as an Overseer as reported in this office letter No.G-38(Confidential) dated 26-10-1951.

3. In case it is decided to appoint Shri.S.L. Lele as Soil Physicist to hold charge of the Koyna Soil Survey Sub-Division after he completes his work in the Soil Research Sub-Division there will be one Civil Deputy Engineer surplus in this Circle and proposals for transferring one....

12

civil Deputy Engineer from this Circle will be submitted on receipt of intimation of Government decision.
